Dear Pastor & Church:

Greetings in the Name of our Lord and Savior Jesus Christ. As some of you may know, we have received the “*Macedonian Call*”. We did not receive this because of anything in ourselves, but because the Lord Jesus Christ would have us to work in His kingdom. About a year ago, I made acquaintance with Bro. Caleb Victor Olortegui Ramos. I call him “Bro. Ramos”, but I have been informed that his last name is Olortegui! He will always be “Bro. Ramos” to me!

Last October, Bro. Raul Enyedi (Romania) encouraged me greatly to be in contact with Bro. Ramos. Bro. Raul had gone down to Peru in 2016 and Bro. Ramos was one of the brethren there. Bro. Ramos and I communicated using facebook messenger and google translate. Bro. Ramos (as I understand it) is a missionary sent out of the Lord's Church in Pucallpa, Peru. The Pastor there is Bro. David Olortegui Rios (Bro. Ramos' uncle). The Lord's church in Pucallpa, Peru is hosting a *Minister's seminar*. They have asked Bro. Raul Enyedi and myself to come and preach at this meeting. I have been assigned the topic at the seminar of “Preaching that changes lives”. Bro. Raul will be speaking on the Lord's Church and I have also been assigned a message on the Lord's Church. There is a chart that I have made below based on the information I have been given.

Translated by google translate.

“Lime. Sunday, in the morning and in the evening. Tingo Maria on Tuesday night. Pucallpa Thursday, in the morning (Seminar) on the night of free preaching. Friday, in the morning (seminar). Saturday morning (seminar), any topic for the church. Sunday possibly on the free theme of the morning.”

Prayer & Praise Request (Yes, I borrowed that Title From Bro. Craft):

1) My Family: As many of you know my wife is pregnant with our 5th child. She has also experienced “HG” or “Hyperemesis gravidarum” (feel free to look it up on google). We homeschool our children and I have been working secularly as well. This has taken a toll on the homeschool, but we are managing to maintain a fairly decent pace of workload, by the grace of God. In the last week, the symptoms have declined immensely, but for the most part, she just fakes feeling well.

In the previous weeks, I have been able to accumulate some “overtime” of which my boss has allowed me to turn into “compensation hours” or “comp hours”. So I will be able to get paid some while I am gone. For this we trust that it is a part of the Providence of our Sovereign Lord.

The Lord has put it upon the heart of my oldest brother and his wife, Timothy John Hille and Tammy Hille to aid while I am away. Timothy John Hille is pastor of Pleasant Plains Baptist Church, Pleasant Plains, Illinois. Tammy will be arriving on October 20th (the day after I leave) and she will be staying with my wife and children till October 29th. Please be in prayer for her travels and for my brother and the church in his wife and child's (Caleb) absence.

2) Services in Plant City, FL in my absence: The Lord has laid it upon my heart to have Eld. Jesse Hille (the middle of us boys) to come and preach in my absence on October 21, 2018. He will preach all three services on the Lord's day. Bro. Frankie Morales will be teaching the adult Sunday School on Sunday, October 28, 2018 and Bro. Jim Crowder will be preaching Wednesday, October 24th and Sunday, October 28, 2018. Our ministry of the word of God is in good hands! Praise the Lord!

3) Financially: The Lord, Jehovah-jireh has provided all that we stand in need of for the trip. The Bible Baptist Church of Plant City, FL voted unanimously to pay for all expenses for myself in regards to this trip. For this we thank the Lord.

4) In Peru: Be in prayer for the brethren. The churches of the Lord there are in need of things being set in order that are lacking. There are an array of subjects, so be in prayer as we believe this is one of the reasons we did receive this “macedonian call” to come over and help us (**Acts 16:9; Titus 1:5**). I have been told that we will be speaking at the seminar to 30-50 “ministers”. There are some who will be there who are not involved in the Lord's church, there are some who believe in universal as well as local church, some who believe that the Lord's church was reformed, etc. Please, please, please be in prayer for us in our teaching that the Lord would open up the hearts and minds of each one and enable them to receive the word of God as it truly is, the word of God. Also that we would preach the word and not our own traditions.

Conclusion

Upon returning I will make a letter of how I found things in Peru.

In His Service,
Nathaniel R. Hille-Pastor
